Dear Mr. Dey:

On behalf of SPIE–The International Society for Optics and Photonics, its Board of Directors, and the 2011 Scholarship Committee, I am pleased to announce that you have been awarded an SPIE Scholarship in Optics and Photonics in the amount of Congratulations!

We trust that this award will help with education-related expenses as you pursue your educational and career goals in optics and photonics.

To assist the Society in tracking use of valuable scholarship resources, we ask that you submit a short report within 12 months that describes how you used the award. A reporting form is available online at <http://spie.org/scholarships> or contact scholarships@spie.org for more information.

Again, congratulations and best wishes for a successful career in optical science and engineering!

Sincerely,

Katarina Svanberg
2011 SPIE President
